The core idea was to send a fleet of ships beyond the known galaxy to chart unexplored regions, find new worlds, and establish diplomatic and trade links. The project was led by the renowned Jedi General Thrawn (later known as Grand Admiral Thrawn in Legends), along with a coalition of scientists, explorers, and Jedi.

The initiative was groundbreaking because it aimed to push the boundaries of galactic knowledge, much like real-world historical expeditions such as those of the Age of Exploration. However, it also posed significant risks—unknown worlds could harbor dangers, and the political landscape was not stable enough to support such a bold mission.
